

Andrew Siegel

10 Parkside Ct NE, Atlanta, GA 30342 | Siegelal@protonmail.com | Phone: (404) 783-1989

SUMMARY

In addition to my bachelors degree in Finance, I am a recent graduate of Trilogy Education's GA Tech Full-Stack Coding Bootcamp. After tirelessly working to hone my technical skills to the requisite level, I'm confident to begin my foray into the web development field.

TECHNICAL SKILLS

- Proficient in HTML, CSS, JavaScript, and Python programming languages
- Proficient in Microsoft Office
- Solid mathematical and algorithmic skills
- Ability to work effectively with others
- Love for learning and growing

PROJECTS

Seekr | [Github Page](#) | <https://seekr-jobs.herokuapp.com/>

- Seekr is a tool to track your job application process
- Drag and drop progress page to denote where you are in the process
- Tools used: JavaScript, NodeJS, Handlebars, Passport authentication, more

Find Your Adventure | [Github Page](#) | <https://siegelal7.github.io/Find-Your-Adventure/>

- Search for National Parks based on your interests and desired activities
- Uses National Park Services API to search parks
- Tools used: JavaScript, JQuery, AJAX, more

EXPERIENCE

Keller Williams Realty First Atlanta

Atlanta, GA

2018 – 2020

- Worked with a team in various roles including: Buyer's Agent, Lead Generator, & Showing Specialist
- Exceed monthly quotas based on previous year by 75-100%
- Generated new business through guerilla marketing techniques
- Consistently make over 100 calls a day to new, current, and existing clients
- Created a personal CRM to help keep track of a client base consisting of 500 plus leads
